

Woman's Club-Kiwanis
Hold Joint Meeting

Members of the Kiwanis and Woman's Club and their wives and husbands met for a joint meeting in the Michelson Memorial Church basement on Monday evening. A record crowd enjoyed a fine potluck dinner.

The group was welcomed by Woman's Club president, Mrs. Bill Joseph who introduced Mrs. L. F. Hayes, head of the club drama committee. A satire depicting "A Hard Day at the Office" was presented by Mrs. Alfred Sorenson and Mrs. J. F. Cook as the "bosses" and Mrs. Robert Paves and Mrs. John Peterson as their secretaries.

To even up the score Floyd Davis, John Peterson, Leslie Hunter and Carol West enacted a skit entitled "Woman Playing Cards." Dr. L. F. Hayes introduced the act. Both productions were greatly enjoyed.

Kiwanis Club president, Max Davenport drew the attention of the group to an invitation from the Mental Hospital, Traverse City announcing that May 4th through 10th is mental health week and that the hospital is holding open house on May 7. Anyone interested in visiting the institution on that day is asked to contact Judge Ray Clement.

Maple Forest

Saturday, May 3, is May Day at the Maple Forest Townhall. Everyone in the community is invited to come Saturday afternoon and bring a tree or shrub or some thing to plant around the hall or in the yard. A suggestion was made that anyone bringing anything to plant should also bring a ball of good dirt. A potluck supper will be held at 6:30, after which those who chose to do so could go to an evening program being planned for 8 o'clock, when we hope to have Mr. Ostrander with us. Let's turn out for a real Community Evening. Boys and Girls are especially welcome to share in the planting and to be in attendance at the evening program.

Mr. Alfred Hummel has been sick but is improving some now. Mr. and Mrs. Charles Owen and children went to Leslie and Lansing Tuesday returning Wednesday.

Among the local people to enjoy the spring planting were Dale Redman and Edmond Howes, Larry Bayham, Alfred Hummel, John Winger and Jack Smith with a group from Frederic attended the baseball game in Detroit Saturday.

Mr. and Mrs. E. Mick and son from Ithaca spent the week end at the Wm. Woodburn home.

Mr. and Mrs. Roy Papenfus went to Prudenville Sunday. Mr. Papenfus conducted services at the First Baptist church there.

Richard Barclay came home from the hospital Saturday where he spent the past week with a serious finger injury.

Mr. and Mrs. Ed Feldhauser and Mr. and Mrs. Ed Feldhauser and Larry and Carol Ann drove to Mt Pleasant Sunday to visit Mr. and Mrs. Ed Reihl.

Don't forget May Day, this Saturday afternoon and evening.

Lovells News

Mr. and Mrs. J. Stokes and family spent the week end at their cabin south of Lovells.

Miss Emma Louise Poshon and Mrs. C. Wheeler and family all of Detroit spent the week end at their summer home on the North Branch.

A good number of ladies met with Mrs. C. Stillwagon last Wednesday night to organize a Chapel Guild. They elected as president, Mildred Johnson, vice president, Irene Eggensberger, secretary, Hazel Koernke, recording secretary, Bertha Gilbert, treasurer, Edith Spaulding, reporter, Emma Stillwagon. They voted to meet at the ladies club room the first Tuesday afternoon in each month from 1 until 4 P. M. All their work will be done to help build up the Chapel treasury here in Lovells and every lady is invited to meet with them each month.

Editor and Mrs. F. E. Church and little daughter of Millington spent the week end at their cabin on Gilberts Road.

Mr. and Mrs. H. E. Belknap of Pontiac were at their cabin over the week end.

Mr. and Mrs. Russell Husted and daughter, Margaret, and son, Charles, also their daughter and family Mr. and Mrs. Russell Clayton all of West Branch spent Sunday with relatives in Lovells.

Mrs. Wm. Laurie is assisting Mrs. R. Feldhauser at the High Bank Lodge week ends.

A fine number gathered Thursday afternoon at the Ladies Club Room as a clean up squad. They did a very fine job cleaning the yard and burning the grass around the club room and Community Chapel.

Then at 6 o'clock the ladies served a delicious potluck dinner. The main feature of the dinner was several hundred fried smelt furnished by Mr. and Mrs. B. C. Gilbert. All enjoyed the treat and wish to thank all for their splendid help, also the Gilberts for the treat.

A number of the summer homes were opened up and occupants enjoyed the opening of fish season.

We had plenty of fishermen to come the opening days and nearly all report fair fishing.

Mr. and Mrs. P. Bowman of Dearborn enjoyed the opening days of fishing and while here occupied one of the Stocking cabins.

The Ray Dube family and Don McCormick of Middleburg spent the week end with relatives here.

Russell Gilbert of Flint visited his folks over the week end, the B. C. Gilberts.

The Cheerful Givers Club will meet with Maude Carroll Wednesday evening.

A good attendance took in the first dance at the new Town Hall Saturday night.

Grayling High Names Honor Students

Rhea Dunham

Metdene Brubh

Top honor students of Grayling High School were announced Monday by the High School Staff.

Valdickson to Metdene Brubh, daughter of Mrs. A. L. Snyder of Grayling, with a scholastic average of 2.54 out of a possible three points.

Rhea Dunham, daughter of Mrs. Nina Dunham of Grayling, achieved an average of 2.16 and named Salutatorian.

Both of the honor students are good citizens and have been active in student affairs during their high school years.

Other Honor Students include Louise Lutz, Sally Gross, Shirley Souders, Jeanine Sorenson and Loy Ann McEvers.

"Signal When
You Turn"

Grayling is entering its second week of its attack on traffic accidents caused by dangerous turns at intersections according to Chief Jack Papendick.

He emphasized the fact that there are two special hazards in turning—the turning driver cuts across the paths of some vehicles and pedestrians—a driver behind the turning driver may try to pass on the wrong side or may not be able to stop in time. One way to lessen this hazard, he continued, is to signal other motorists and pedestrians that you are going to turn—and in what direction.

Expert drivers give 3 separate signals on each turn, according to Chief Papendick. They pump their brake pedal for slowing down so that the stoplights flash to the rear. They pull left to the centerline for a left turn and pull close to the right edge for a right turn. And they give the legal arm signal of use a directional signal device.

Chief Papendick called upon all motorists to cooperate in the safety program being conducted by the police and the State Safety Commission. He reminds all motorists that giving correct signals in time not only informs other people but reminds the turning driver himself to be extremely careful when turning.

St. Francis Episcopal
Chapel Services

Episcopal services will be held Sunday evening May 4th at 7:30 and every other Sunday thereafter at the Lutheran Church. Canon Sydney Rood will officiate. All are welcome to attend.

Guard Aims At
Full Camp Attendance

Participation of every Guardsman is the 1952 field training goal of the Michigan National Guard. It was announced today by Brigadier General George C. Moran, The Adjutant General.

To assist in achieving that goal General Moran today sent letters to the secretaries of Chamber of Commerce in all National Guard communities asking their assistance in promoting adequate military leave policies among local employers.

Michigan's own 46th Infantry Division and several attached units will train at Camp Grayling. The 300th AAA Battalion of Manistee and the Upper Peninsula will train at Big Bay on the shore of Lake Superior. All units, totaling more than 7,500 officers and men, will be in camp from August 16 to 30.

"It is vitally important to our nation's security that every National Guardsman possible receive the invaluable full-time training provided by summer camp," General Moran stated in his letters to secretaries of Chamber of Commerce.

"There is no substitute for this experience which rounds out the training taken in the armory during the year. Absenteeism on the part of a few Guardsmen can well cripple the training activities of a unit which is geared to the skill of each Guardsman."

Unit commanders in all National Guard communities have been instructed to seek military leave for their men to help achieve full camp attendance. For the past five years attendance at field training has averaged more than 90 per cent of strength. Individual Guardsmen will be urged to contact their employers early to make arrangements for military leave.

Favorable military leave policies have already been established by many employers of Michigan National Guardsmen. Military leave with full pay in addition to regular vacations is granted by some employers. Others allow their Guardsmen employees two weeks' military leave in addition to regular vacations and make up the difference between regular pay and Guard pay. Still others grant two weeks' military leave without pay in addition to regular vacations.

HOSPITAL NEWS

Irene Galvani, James Lynch, Gertrude Simond, Bonita Nelson, Bonnie Kay Borchers, Mrs. Jayne Hayes, Mrs. Marie Olson, Mrs. Carol Low, Robert King, Mrs. Nina Doremire, Mrs. Elita Schable and Mrs. Aino Lauri are among the patients at Mercy Hospital.

A son who has been named Alfred James was born to Mr. and Mrs. Henry Feldhauser on April 25. The Alfred Sorensons and Paul Feldhausers are the little fellows grandparents.

Ernest Lason, Mrs. Cora Van Amberg, Mrs. Julia White, Richard Barkley, Leon Granger, Mrs. Elizabeth Horton, Marcia Sorenson, Olive Lovely and Donald McLean have been released from Mercy Hospital.

Pfc. William Hunter surprised his parents the Otis. Hunters by visiting them for a few hours while enroute from Camp Hood, Texas to Camp McCoy, Wisconsin. Ralph Hunter was expected home Wednesday from Illinois to spend a 15 day leave after completing boot training at Great Lakes.

Watch for news of the coming Concert to be given by the Grayling High School Band in the High School Gym.

Rep. Woodruff
Not To Run

Veteran member of the House of Representatives Roy O. Woodruff of Bay City Congressman for the Tenth Congressional District of Michigan has announced that he will not seek re-election to the post which he has held for many terms.

Next to top ranking Republican member of the House of Representatives, Rep. Woodruff was chairman of the powerful Ways and Means Committee and a member of the National Forest Reservation Commission.

Following is Rep. Woodruff's statement issued from Washington:

"I shall not seek renomination and re-election. My decision has been reached reluctantly after long and serious deliberation. It is dictated principally by considerations of health."

I am deeply grateful for the unvarying loyalty and confidence of my constituents throughout the 34 years I have served in the Congress. My appreciation will never diminish."

With Rep. Woodruff's announcement of his retirement, his opponent in the race for last term, Mayor Elford Cederberg of Bay City announced his candidacy. This leaves the race for the Republican nomination in the August 5th primaries a three cornered battle with Wilford Pressler of Au Gres and Rev. R. C. Puffer, both of whom had formerly announced, vying with the newly declared candidate.

High School Classes
Tour Dow Company

The Occupations and Chemistry classes of Grayling High School enjoyed a field trip thru the Dow Chemical Plant, Midland on April 23.

The tour was very instructive as the group toured the Bromine, Asphrins, Epsom Salts plants and the general laboratory. They also visited the power plant which is ultra new in engineering. Especially interesting were the sales offices and warehouse which were made of plastic.

Those who made the trip to Midland were Supt. Frank Bond, Instructor Earl Gierke and the following students:

Warren Hatfield, Dick Legg, Beverly Boone, Rex Hunter, Doris Hanning, Jean Lovely, Anna Schrieber, John Stephan, Dale Kenyon, Lou Ann McEvers, Alice Latimer, John Canfield, Audrey Walker, Shirley Hoerl, Chester Johnson, Betsy Niederer, Skip Hanson, Ronnie Larson, Betty Small, Beverly Wolfe, Betty Kubic, Earl Jensen, Shirley Saunders, Jerry Barber, Rhea Dunham, Donna Blackmer, Tom Hilton, Bob Luter, Tom Small, Duane Sloan, Jerry LaMotte, Sally Groes and Jeanine Sorenson.

MUST HAVE
PERMIT TO BURN

It is time of the year when it is again necessary to have a burning permit—before starting any fires.

It has been pointed out by Conservation Officer Clarence Roberts that three people have been prosecuted during the past week for not complying with the law.

To get a permit call the equipment station, Phone 423.

TO THE BUSINESS
PEOPLE OF GRAYLING

Angle parking on Michigan Avenue between Peninsular Avenue and Cedar Street has proven unsafe. Parked cars left without brakes on very frequently roll to the easterly side of the street and many minor accidents have resulted.

This is a dangerous condition and one in which the city might be held liable for damages that would have to be paid by the taxpayers. Regardless of that, the condition ought to be corrected before some one is seriously injured.

To correct the condition angle parking will no longer be permitted in this one block. We cannot go back to double parking as that too proved unsafe when tried. Therefore center of street parking in this one block hereafter will be limited to one single line of cars which shall be parked within the lines painted on the pavement.

Please cooperate with us in making our streets safe.

Two Injured
In Accident

A vehicle driven by Don Weaver of Grayling rolled over last Thursday evening when it collided with two deer on the North River Road.

In the car were six women passengers, Mrs. Don Weaver, Mrs. Harry Hoerl, Mrs. Emil Tahvonen, Mrs. Leo Lovely, Mrs. Liwyn Doremire and Mrs. Rolfa Failing, members of Weaver's Bowling team sponsored by Mr. Weaver.

The accident occurred about seven o'clock on the North River Road when two deer suddenly bounded into the path of the east bound vehicle and Mr. Weaver was unable to avoid striking them.

Mrs. Failing, Mrs. Lovely and Mrs. Doremire were removed to Mercy Hospital for treatment of injuries. Mrs. Failing received a fractured collarbone and Mrs. Doremire a fractured vertebrae.

Mrs. Lovely was treated for bruises and released. The other occupants of the car received only bruises.

Mrs. Failing has been released from the hospital but Mrs. Doremire is still a patient there.

All were en route to the annual Grayling Women's Bowling League banquet being held at the AuSable River Inn, five miles east of Grayling at Stephan's Bridge.

A deer ran into the back fender of Mr. Lovely's car and caused considerable damage when he was returning to town after notifying Mr. Doremire of the accident. The Doremires live near Wakeley Bridge.

Jack Smith To Play
In U. S. Navy Band

Jack Smith has been selected by Mr. LeRoy Christian to represent the Grayling High School Band, when the Navy Band plays in Traverse City May 3rd. Each year the Navy Band selects high school band players to practice and perform with their players as they perform in concerts over the United States.

Jack Smith has been in the band for three or one-half years and is first chair trombone. He is sixteen and in the tenth grade.

In the fall of 1951, the Navy Band left on its first annual tour so that all the American people could enjoy its music. Although its fame extends all over the world, the United States Navy Band finds its greatest pleasure in playing for Americans in their cities and towns, large and small, throughout the country. John Phillip Sousa became the first Navy musician to be Lieutenant Commander. The present leader, Lieutenant Commander Brendler, led the second to hold this rank. The history of the band dates back to July 23, 1825.

Religious Instruction
Classes To Be Held

A systematic exposition of the teachings of the Catholic Church will be presented by Father John A. Breitenstein, pastor of St. Mary's Church, Grayling, beginning on Friday evening, May 6th, at 7:30 P. M. The classes, each of which will be of one hour's duration will be held weekly for a period of twelve weeks. The sessions will be held in one of the classrooms of the new St. Mary's School.

The classes will consist of a series of instructions such as are given to a person who is preparing himself to enter the Catholic religion. The public is invited to attend. The classes are for Catholics who wish to review their religion, and for non-Catholics who may be interested or curious about the teachings of the Catholic Faith. A question box period will feature each meeting in which anyone is invited to present any question about the Church.

There is no fee or charge attached to attending and no obligations whatsoever arising from attendance. Everyone is most cordially invited and welcome to attend.

Friends are pleased to see that Wilfred "Dago" Laurent is able to be out again after his long confinement.

Kalkaska And Mio Here
Thursday For Track Meet

Vikings Second In First Meet

The Grayling High Vikings track team will entertain the track teams of Mio and Kalkaska in a three way meet here, starting at 2:30 Thursday afternoon.

The Vikings in their first meet last week placed second to Roscommon and ahead of Marion. The meet was slated between Marion and Grayling, but, Roscommon asked to enter their team. The Bucks are a power this year with a track team loaded with seniors. They scored 67½ points with Grayling garnering 39 and Marion 23½.

The Roscommon half mile relay team were last year's conference champs but Grayling whipped them as Dale Pettengill led off followed by Del Joslyn, Monte Malonen and Duane Worden running anchor post. Grayling's time was a minute 45.9 seconds.

In the 120 high hurdles Marvin of Roscommon was first. In the 100 yard dash, Reed of Roscommon was first with Worden and Malonen taking second and third. Ted Davenport took first in the mile run for Grayling with J. C. King of Grayling third. Becker of Roscommon was first in the 440 yard dash with Jim Burch of Grayling taking a fourth. Terry of Roscommon won the 120 yard low hurdles with Malonen taking a fourth. Worden and Reed of Roscommon tied in the 220 yard dash with Joslyn taking a third and Duane Vincent a fourth for Grayling.

In the 880 yard run Kress of Marion took first with Ronnie Larson of Grayling second. Chape of Roscommon was first in the high jump with Worden winning the pole vault for Grayling. Myers of Roscommon won the shot put with Joslyn winning the broad jump for Grayling.

One Hundred Enjoy
Bowling Banquet

The annual Grayling Women's Bowling League banquet was held at the AuSable River Inn, at Stephan's Bridge, last Thursday evening. Approximately one hundred members and sponsors were present.

Dinner was served at long tables bearing floral arrangements of colored daisies donated by Mrs. Thomas Haugh. Dinner arrangements and decorations were in charge of Mrs. Ed Gierke, Miss Jean Rasmussen and Mrs. Stanley Flower.

Following dinner league President, Mrs. Charles Long presented Mr. and Mrs. Harold MacNeven with a gift on behalf of the league after which league secretary, Mrs. Marion Burch presented the prizes.

Golf Club
To Open

This week will mark the season opening for the Grayling Golf Club. The club house and bar will be open and the flags and other markers will be placed on the course.

This will get the golfers started off early to make use of the fine golfing weather that Grayling has been enjoying. A little later, it is planned to have an opening potluck dinner for members of the club and their guests.

The fairways on the course are in the best shape in years, it is said and although the greens suffered from winter weather somewhat, will soon be in tip top shape.

Remember, golfers, would-be pros anduffers too—the course is open so come on out and swat a few rounds.

MAY FESTIVAL

Your Milk

After the lumbering days were over, had we taken good care of the immature timber we would be sawing lumber today.

Instead we were careless with forest fires. There was one fire after another. The result was, dead charred tree stumps and a desolate country side. Bird and animal life was all but depleted.

SERVICE PROGRAM

A MIGHTY MOVE TO STEP UP SAFETY!
...FOR YOU...FOR YOUR FAMILY...AND
YOUR COMMUNITY...

Our Goal: TO REDUCE ACCIDENTS IN

- Here's a sensational new safety program, developed by the Chevrolet Division of General Motors Corporation and pioneered in this area by your Chevrolet dealer.
- It's a fact that many traffic accidents result from mechanical failures in the automobiles involved in the accidents. These are avoidable accidents.
- This long-range program is based on recurring safety inspections. It can eliminate a great share of the mechanical failures which result in accidents.
- Very little is required of car owners. All you do is bring your car to our Service Department. We do the rest.
- ...AND THERE'S ABSOLUTELY NO CHARGE OR OBLIGATION TO YOU!
- Your Chevrolet dealer, as an important contribution to American safety, assumes the whole cost for the "Safe-T-Way" inspections.
- COOPERATE FOR SAFETY**
Act now for greater safety... for you, your family and our community. And encourage your friends to act, too.

Taking Our Shirts

Late in February a shirts-for-Congress campaign was started in California. The originator of the idea was a Farm Bureau official who told an audience, "To my Congressman, I say: 'You are taking now in taxes everything but my shirt. You might as well have that too.'" He then yanked off his shirt, and a number of others followed suit. The campaign was enlivened by a woman who sent her Congressman a girdle, with a note suggesting a little more "figure control" by Congress.

It isn't likely this campaign will go far—after the tax collectors get through with the average citizen he has to make his shirts do double-duty and he can't afford to throw one away. But it is a significant sidelight on the worst menacing domestic problem—the country faces. Last March, we paid the biggest tax bill in our history. Banks and other agencies reported that borrowings to pay taxes were extraordinarily large—and they were made by people who needed a hundred or so, no less than from high-income taxpayers who found themselves short by thousands. Even so, this tax bill wasn't as large as the Administration wanted.

Taxes now take some 30 per cent of the entire national income. That simply means we work almost four months of the year to pay the cost of government. Is it any wonder that taxes are undermining, discouraging the investment of capital, and making it next-to-impossible for a man to accumulate substantial savings? Taxes are taking our shirts—and taking the heart out of the country.

Alfred Hanson Tells
Of Safety Program

Alfred Hanson Chevrolet Sales and Service of Grayling today announced participation in a nationwide automobile safety program sponsored by the Chevrolet Motor Division.

The program launches for the first time in the automobile industry a continuous routine of car checks in order to eliminate defects that might lead to traffic accidents.

"Indorsed by national safety organizations, we feel this is one of the soundest projects of its kind ever undertaken," said Mr. Hanson. "Over the years it will do much to reduce traffic accident rates in the community."

As explained by Mr. Hanson, in the future all passenger cars and trucks entering his establishment or service will be given a free 10-point inspection. This examination will cover the mechanical items frequently involved in accidents—tires, steering, brakes, front headlamps, rear headlamps, horn, body glass, windshield wiper, rear vision mirror and exhaust system. The owner will then be given a report on the condition of these features.

"The program was inspired by findings that virtually one-third of all cars on the highway are below low safety standards," said Mr. Hanson. "In many cases the owners were not aware of the defects in their cars and a great majority only a slight adjustment was necessary to correct the fault."

"Whether or not the car owner decides to authorize repairs in my shop or elsewhere, we will at least bring deficiencies to his attention."

**Cederberg, Now

election and at the general presidential election next November.

Cederberg said, "If I am elected to the office I shall direct my efforts towards common sense economy in government and to the return to the states and local government those functions and revenues that have been usurped by the Federal Government. I shall measure any decision in the field of foreign affairs solely by its direct value to the security and welfare of the United States."

The 34-year-old mayor is now serving his fourth year in the chief elective position in Bay City. In private life, he is the manager of Nelson Manufacturing Co., a Bay City producer of house trailer accessories.

Cederberg scored a major political upset in 1949 when he defeated the incumbent mayor in his first efforts as a political candidate. He came back in 1951 to be returned to the non-partisan office of mayor in an even greater margin.

A native of Bay City, Cederberg was born there March 6, 1918. He attended grade school and high schools there, and also Bay City Junior College.

He entered the United States Army in April, 1941, and won promotion through the ranks until his discharge in 1945 as a major.

He saw prolonged duty during almost two years of the liberation of Europe from the Nazis. He still holds his major's rank in the United States Army Reserve.

An active member of his community, he is an immediate past president of the Bay City Lions service club, and has held office as a director of the Bay City Junior Chamber of Commerce as well as membership in many other civic organizations. He is a member of the Bay County Board of Supervisors. He has also been active in Republican circles.

Cederberg makes his home at 714 Garfield Avenue with his wife and two small children.

In his first term as mayor, Cederberg won distinction by his successful efforts to bring the city's budget into balance by an intelligent program of economy. More than any other mayor in the city's history, his four years of administration have been marked by successive appointments of representative citizens' committees to study the major problems of Bay City and to act as advisory groups. His most recent such appointment, of a mayor's full employment committee has resulted in complete coordination of local attempts to increase employment in the Bay City area through the securing of defense and other contracts.

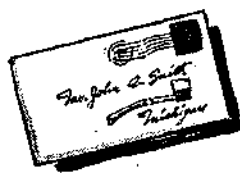

**Don Akers Talks To
Occupations Class**

On April 9th Mr. Don. Akers, local engineer for the State Highway Department, Mr. M. W. Walker and Mr. Farhat of the Administration Division of the State Highway Department, Lansing, outlined the work of an engineer, telling of the qualifications and education necessary to become one. Mr. Akers demonstrated and explained some of the instruments used in the engineering profession particularly those for surveying and highway engineering.

This was one in a series of talks to the Occupations class of Grayling High School, designed to acquaint the students with firsthand information on the different careers and occupations.

**Presler Also
A Candidate**

Wilford (Bill) Presler, Au Gres, Arenac County, says regarding his candidacy for the Republican nomination for Congress, 10th Michigan District, Sept. 9th Primary:

I was born at Forest, Ohio, 64 years ago. Got a good Grade School education, then took a complete selective course in English at college. Taught school 23 years, part of the time as principal. Taught up to and including the 10th Grade. Farmed some years but not too well while teaching. For many years have been a buying and shipping broker of farm produce, carlots and truckloads. Quit March 5th, having shipped mostly onions this year, sixty-odd loads.

Served as Mayor of Au Gres; was J. P. four years; last July ended service on the Arenac County committee of the F.H.A.—Farmers Home Administration; am president of the Arenac County Farm Bureau; and am City Supervisor of Au Gres.

I know town and country problems. I do not want to represent just one or two classes, rather I want to represent ALL classes. All classes need representation.

Order of the Conservation Commission—regulating Fishing in South Branch of AuSable River, Crawford County.

The Conservation Commission, by authority of Act 230, P. A. 1925, as amended, hereby orders that for a period of five years from May 20, 1952, the order adopted on March 12, 1952, to the contrary notwithstanding, it shall be unlawful to take trout less than 10 inches in length in the South Branch of the AuSable River from Stecker Bridge to Smith Bridge in Section 29, T 26 N, R 2 W, to the mouth (or junction with main stream of the AuSable River) in Section 8, T 26 N, R 1 W, and further that it shall be unlawful to fish with any lure except artificial fly in the South Branch of the AuSable River from 300 feet downstream from said Stecker Bridge to Smith Bridge in Section 29, T 26 N, R 1 W, all in Crawford County.

For the purpose of these regulations, the term "artificial fly" shall be deemed to be the so-called and commonly accepted wet or dry trout fishing fly having not more than a single hook and without spinner, spoon, or any other contrivance or device attached thereto or used in connection therewith.

CONSTRUCTION FOR 1952

The following construction program has been approved by the Crawford County Board of Road Commissioners and the Michigan State Highway Dept. as required in Act 31, P. A. 1951.

Black Top:

Chase Bridge Road, South Branch Township.

This grade and base was completed in 1951 and is now ready for a bituminous aggregate surface. Commencing at M-144 and running North to Richardson's Corner, a distance of approximately three miles. This surface will be a 20 foot hard surface and will require the following quantities materials: 2,640 tons of Mineral Aggregate, 44,000 gal. of Asphalt Binder and 9,000 gal. of Asphalt prime.

4 Mile Road, Beaver Creek Township.

This grade and base was completed in 1951 and is now ready for a bituminous aggregate surface. Commencing at US-27 and running West to the Military Road, a distance of approximately three miles. This surface will be a 20 foot hard surface and will require the following quantities materials: 2,640 tons of Mineral Aggregate, 44,000 gal. of Asphalt Binder and 9,000 gal. of Asphalt prime.

Fletcher Road, Beaver Creek Township.

This grade was 50% completed in 1951. It is proposed to finish the grading and base this Spring and have it ready for bituminous surface by fall. It is also a three mile road commencing at M-18 and running west to the Military Road. This surface will be a 20 foot hard surface and will require the following quantities materials: 2,640 tons of Mineral Aggregate, 44,000 gal. of Asphalt Binder and 9,000 gal. of Asphalt prime.

Grades and drainage structures County Road 612, Frederic Township.

Starting at Frederic and running west to the county line.

This grade and alignment of this road is deemed suitable, and requires a gravel base making it ready for a bituminous surface. A 5" compacted gravel base will be laid 22 foot wide, and this will make it ready for surfacing in 1953.

North Down River Road, Grayling Township.

This road will require some grade and alignment correction as well as installing a base. This will be from Wakeley Corner East to Bald Hill trail, and will also make this ready for a bituminous surface in 1953.

The bituminous surface portion of this program will be done under the Federal Aid program and the county will be reimbursed for 50% of total cost.

The grade and drainage structure portion will be done by County forces.
